

Hannah Viall Memorial Scholarship

Hannah Viall was a special young lady that showed kindness and compassion to all, whether she knew you or not. She never met a stranger, treated everyone as though they were her best friend, practiced acceptance and compassion and loved to make other people laugh and feel good about themselves. Hannah had a way of reaching out to all individuals and making each one feel loved and accepted. We established the LIVE like Hannah Foundation because it exemplified her qualities of loving, including and valuing everyone no matter your race, ethnicity, social class, etc. We are grateful for the lessons she has taught us and will strive to continue to live like Hannah!
