Scholarship and Financial Aid Resources

El Pueblo, Inc.

Education is an important part of our mission here at **El Pueblo**, and we have made it a priority in our youth outreach to aid and

encourage North Carolina's Latino youth to pursue higher education. We realize the cost of college can be a major financial barrier to higher education for our Latino youth, but we also know that there are in fact ways to pay for college out there. It may just take some work to find them.

In addition to the El Pueblo, Inc. Scholarship List for North Carolina's Latino Students, we have compiled this list of additional scholarship and financial aid resources to show the large amount of resources available to Latino students and to aid students in their search for ways to pay for college.

If you have questions or need help with the scholarship and financial aid search, feel free to contact our Higher Education Program at (919) 835-1525!
